- Good for those watching their sugar intake
- Certified OU Kosher
- 26 Vitamins and minerals
- Packed with protein, nutrition and flavor!

Simple. Fast. Affordable...
And Tastes Amazing!

FACT SHEET

Vi-Shape® Nutritional Shake Mix

Have a healthy meal—FAST—with Vi-Shape Nutritional Shake Mix

What is it?

It's a meal replacement shake that has an exceptional taste. If you tried other meal replacement shakes before, you'll see that there is nothing like Vi-Shape Nutritional Shake Mix. That's why it's *The Shake Mix That Tastes Like A Cake Mix*. It has our unique Tri-Sorb protein blend of highly absorbable proteins, fiber, calcium, vitamins, minerals, digestive enzymes and more. Vi-Shape Nutritional Shake Mix is a perfectly balanced meal replacement!

What does it do?

Vi-Shape Nutritional Shake Mix does what a good meal replacement shake should: it mixes easily with nonfat milk or soymilk to provide a tasty meal loaded with 20–22 grams of protein—the perfect blend to support lean muscle to help your body burn fat. And it contains less fat, carbohydrates, sodium and sugar than many other brands! Mixed in water, it is a great snack for on-the-go, or for use after a workout to support your body's recovery process. Other shakes can be gritty, bitter or leave a metallic aftertaste. Vi-Shape tastes amazing in water for a snack, or in milk for a meal replacement! For bonus flavor and nutrition (as well as variety), blend with our Shape-Up™ Health Flavor Mix-Ins or fresh or frozen fruit to create your own healthy smoothies. Add Vi-Trim® to your shake for hunger control support.†

Key ingredients

- **Tri-Sorb protein blend**—A unique blend of three proteins that work together to help keep you satisfied, and help to support lean muscle. Our blend includes two forms of whey protein and soy protein
- **Fibersol®**—a clinically tested and patented prebiotic fiber blend that keeps you feeling full without the gas that is a by-product of other types of fiber. Prebiotics help the “probiotics” or healthy flora in your system multiply and flourish. These help protect your immune system, support regularity and have other health benefits.
- **Aminogen®**—a patented and clinically tested enzyme blend that helps your body maximize protein and nutrient absorption
- **26 Vitamins and minerals**
- **Calcium** for bone health
