- Supports healthy metabolism
- No Taurine, No Artificial Flavors, Low Sodium, Dairy-free, Gluten-free
- Only 100 calories

And... it GLOWS!

## FACT SHEET

### NEON Energy Drink®

Finally, an energy drink with good taste.

#### What is NEON Energy Drink?

Simply stated... it's an energy drink with good taste! NEON is made with 24% fruit juice from concentrate combined with a proprietary blend of ingredients for energy and antioxidant support—such as natural caffeine from green tea, Vitamin C and a selection of energy-supporting B vitamins—for an energy boost that lasts.

#### What does it do?

NEON provides an energy boost that lasts without a crash! It's great for providing you with that little something extra that powers you through your fitness routine or Challenge goal as it helps to sustain your energy levels. Additionally, NEON also helps enhance cognitive performance for faster and clearer flow of thought, increased focus and better general body coordination. It's why NEON is ideal for an energy boost pre-workout, post-workout, or any time you need it.

#### What flavors are available?

NEON Energy Drink is currently available in a delicious, refreshing tropical fruit flavor.

#### Key ingredients and benefits

- **Proprietary blend** includes pear, passion fruit, blueberry, raspberry, strawberry, cherry and cranberry juice from concentrate to provide a smooth and refreshing flavor.
- **Green tea extract** is a powerful antioxidant and is known to support weight loss. The polyphenols from the green tea extract act as powerful antioxidants, helping to protect your body's cells from free radical damage.
- **Caffeine** supports a healthy metabolism. The consumption of moderate amounts of caffeine increases energy levels, helps to decrease feelings of fatigue, helps to enhance physical and motor performance, enhances cognitive performance, and increases feelings of alertness and wakefulness.
- **Prickly Pear** is a source of polyphenols, vitamins, polyunsaturated fatty acids and amino acids. It's prized for its juice and pulp, contains pectin and fiber which is known for maintaining healthy blood sugar levels that are already within the normal range.

- **Essential B vitamins**, NEON provides five essential B vitamins per serving: riboflavin, niacin, vitamin B6, vitamin B12 and pantothenic acid.
- **Vitamin C**, contains 100% of the RDI. Vitamin C is a powerful antioxidant that helps to significantly decrease the adverse effects of free radicals.
- **Natural sugars** from the proprietary blend of seven fruit juices from concentrate.
- **No taurine, no artificial flavors, low sodium, dairy-free, gluten-free.**

#### SUPPLEMENT FACTS

SERVING SIZE	1 can (250 mL)
