SPECIAL PROMOTION!

ViSalus innovated the industry-leading **3 for Free Program** helping Vi Customers and Promoters earn free products by referring others. In 2015, they took it to a whole new level with the revolutionary **ViP Rewards** (viprewards.vi.com), introducing *Vi Points*, allowing earners to get not only free products, but also exclusive ViP Rewards Gear and Vi Life Experiences.

Now Vi top Promoters can earn an additional monthly cash bonus for helping your Customers and Promoters earn Vi Points!

Earn anywhere from \$500 to \$75,000 a month once you achieve the rank of National Director or above.

The more Vi Points you help others earn, and the higher your rank – the bigger your bonus could be!
